# DON'T MISS THE EXTRA CHANCES OF T3CON16!

The 12th **TYP03 Conference Europe**, which is the largest event worldwide for the TYP03 Community, will take place in Munich on 26 and 27 October. At this event, 400 IT-decision makers, agencies, marketing managers, developers and designers from all around the world will meet with the aim of exchanging knowledge about the future of web and content management.

## Present yourself and your products!

Within the conference we have THE opportunity for you to expand your network and present your product to an international audience and qualified target group:

**Come on board and become exhibitor at the T3CON16 in Munich.**

**This year's location is the  
Hilton Munich Park which  
offers a special atmosphere  
for networking with each  
other.**

# 5 REASONS FOR EXPO OF T3CON16

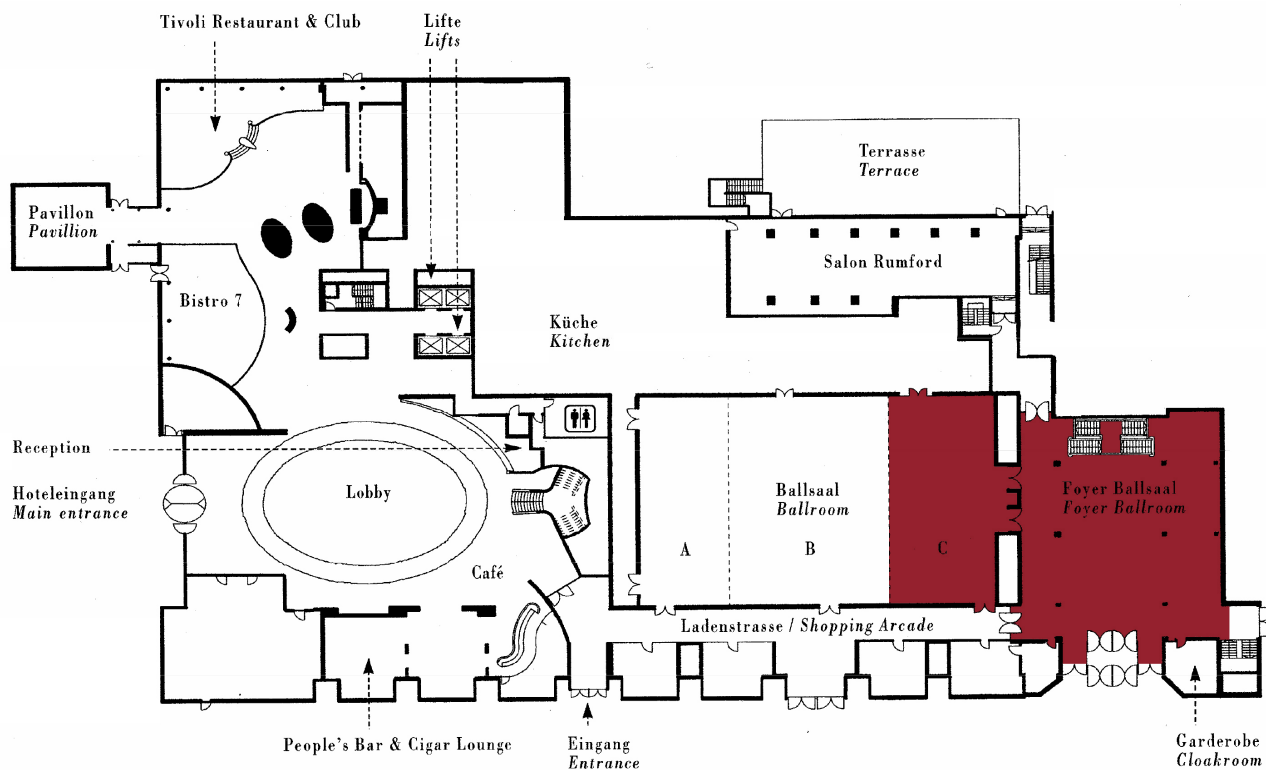

## 5 reasons for your exhibition success

- » Meet more than 200 agencies and numerous companies and get in touch with a large **customer base**.
- » We offer the greatest possible awareness by presenting your company with a **talk on the exhibition stage**. Present your product and gain attention.\*
- » Next to your conference booth, you will find further possibilities to introduce your company and your giveaway distribution through different **advertising tools**, such as logo visibility, brochures and giveaways distribution.
- » Profit from long-term **PR concepts**: After the T3CON16 photos and reports will be published in blogs, posts, magazines, social media and forum discussions.
- » Join the **TYP03 Community** and don't miss the extra chances of communication and cooperation!

\* The talks will be presented to participants as a highlight via website and booklet.

# YOUR EXHIBITION AREA

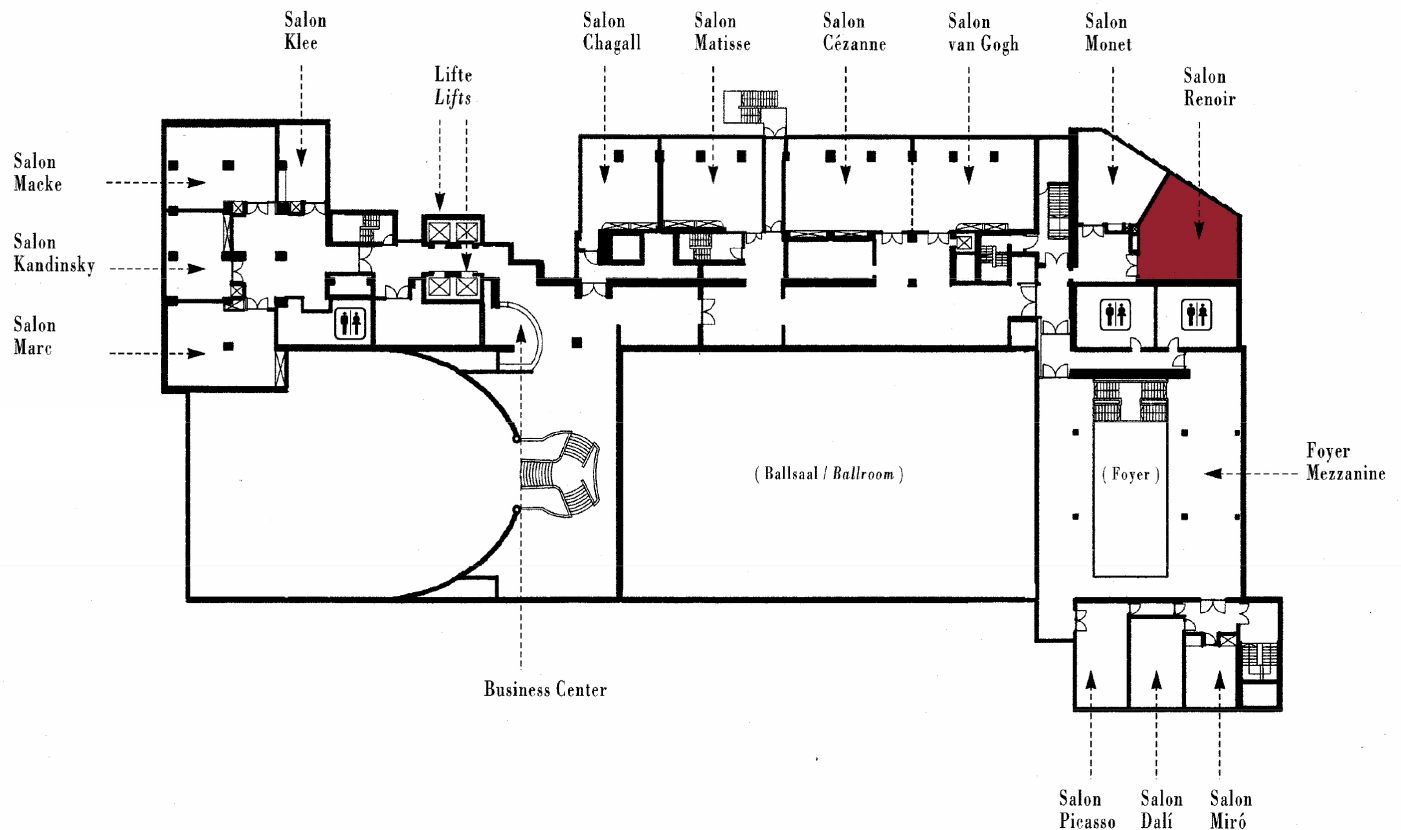

The Expo of T3CON16 takes part on 1.400 square meters in the **Foyer** and **Ballsaal C** of Hilton Munich Park. We thus guarantee a permanent contact and exchange between exhibitors and attendees.

On the **exhibitors stage** you have the possibility to present yourself within the Expo. The presentation room **Salon Renoir** is situated on the first floor, in between the conference room Cézanne&van Gogh and the exhibition area.

## Presentation and exhibition together offer the best conditions for networking!

Get in touch with us as soon as possible, as we give away these spots on a **FIRST COMES FIRST SERVED** basis.
